

# Year 1 Computing - Rocket to the moon

Computer	Electronic machine that accepts and processes information to produce an output, and then stores the results.
Computer program	A series of instructions, that are written for a computer to follow. Also known as apps.
Create	To make something.
Data	Information used for a specific purpose or investigation.
Digital content	Information and media such as videos and pictures stored on a computer.
e-Document	An electronic file which includes text.
Folder	An electronic storage file that holds other digital content for example text, pictures, videos.
List	A number of things, one after the other.
Save	To store something for use later.
Sequence	A set order or pattern for something to follow.
Share	To show or give a part of something to someone else.
Spreadsheet	An electronic document that lets you store data in rows and columns.

How to make a bottle rocket:

1. Collect the materials

2. Cut and add the fins

3. Make the nose cone

4. Attach the nose cone

5. Decorate the rocket

## Big questions

How can we plan and draw a rocket on the computer?
