

# **Google Classroom Guide & Expectations**

**Part 1:**

**How to navigate through  
Google Classroom**

1

The image shows a screenshot of a Yahoo search engine page. The search bar contains the text 'google classroom'. Below the search bar, there are navigation options: 'All', 'Images', 'Videos', 'More', and 'Anytime'. The search results include an advertisement for 'Classroom Chairs - Classroom Chairs - equip4work.co.uk' and a link to 'Sign in - Google Accounts - Google Classroom'. A red arrow points from a text box to the 'Sign in - Google Accounts - Google Classroom' link. Below the search results, there is a section titled 'People also search for' with a list of related search terms: 'google classroom for students login', 'class charts', 'google', 'hegartymaths', 'google docs', 'google drive', 'mathswatch', and 'google slides'. At the bottom, there is a link to 'Classroom | Google for Education'.

Announce something to your class

S Hussen Jan 6

Hello Swan Class! I miss you all so much. I hope to see you all soon. In the mean time, we will be using Google Classroom to learn. This is very exciting. At the moment there is no work that has been uploaded. I will start uploading your work daily starting from the 11th January. Feel free to me messages on this class blog xx

3 class comments

- Saakhipreet Gulati 11:51 AM  
Ok miss hussen saakhipreet misses u also hope to see u soon xx 😊
- Iqra Hassan 1:10 PM  
we miss you too very much miss hussen xxxx
- Ugbad Farah 1:35 PM  
hopefully I will see you tomorrow in the zoom

You can reply to messages here or write your own for others to reply to.

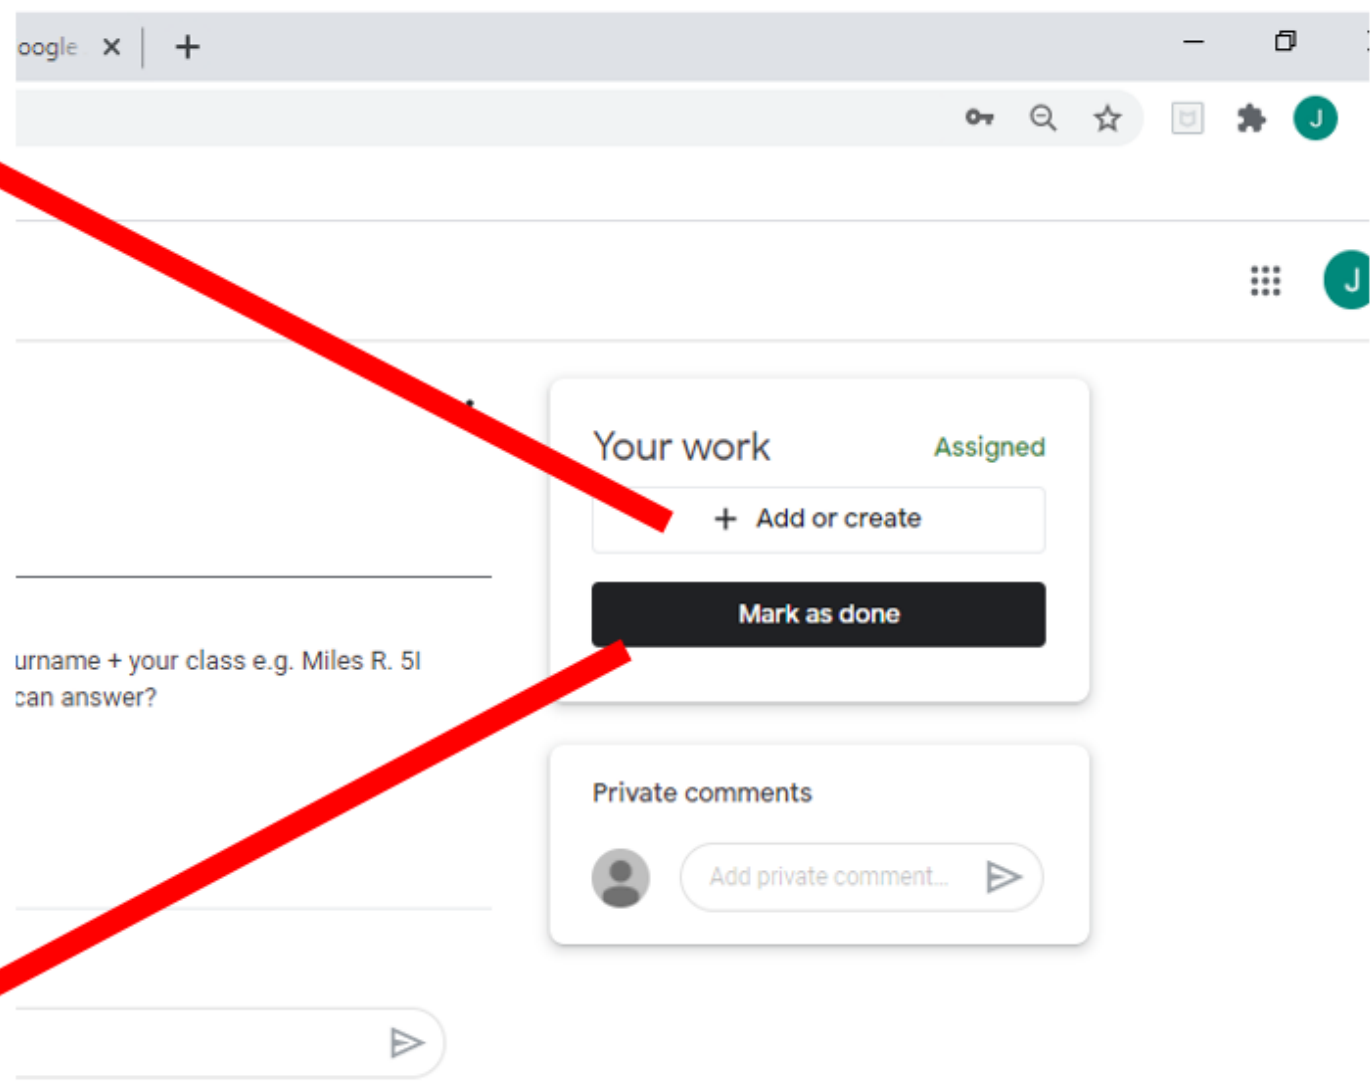

Your class page will look like this. This is where you will find messages and tasks. Just click on the task and it will take you to more instructions.

# 5.

Click on 'Add or create' to complete the task.

When you have completed the work just click on 'Mark as done' and this will send it straight to your teacher.

There are no save buttons as everything you type or draw on google classroom is saved automatically.

**Part 2:**

**Home Learning  
Expectations**

# Learning expectations for pupils

- ▶ Each day 3 - 4 activities will be uploaded by the class teacher through Google Classrooms.
- ▶ It is expected that 3 activities must be completed and submitted by the end of the day between the hours of 10am - 6pm. *\*We understand that there are lots of parents also working from home so there is some flexibility in the times.*
- ▶ Teachers will mark them throughout the course of the next day and feedback will be given to the children.

# How can pupils complete their work?

- ▶ 1) Uploading work directly onto Google Classroom.
- ▶ 2) Print the activities from Google Classroom and complete the work on the sheets. This can then be photographed and emailed to your class teacher.
- ▶ 3) If you do not have access to a printer, and struggling to complete on an electronic device, the children can view the work on an electronic device, but complete the work on paper; this can be photographed on a phone and emailed to the class teacher.

# Home Learning Expectations

- ▶ Teachers will be keeping a log of who is completing the work and attending live learning lessons.
- ▶ If work is persistently not completed and no attendance is made at the live learning lessons initially a call will be made home by the class teacher.
- ▶ From this if no improvement occurs the KS1 Phase Leader will call home.
- ▶ After this, if no changes are made it will be made aware to the Deputy and Head Teacher to contact parents for a virtual meeting.

# Year 1 Timetable

<b>Monday</b>	Joe Wicks Live PE	Phonics/ English Big Write	Maths	Science
<b>Tuesday</b>	PE	Phonics/ English Big Write	Maths	RE/ PSHE
