'Thank You' to those children and families who have donated a book to the school to celebrate pupil birthdays; the children love to share them with their class. If you would like to donate a book for your child's birthday, please see the office for a book label.

This year's Healthy Eating Week message is "Find your healthier you!"

Whether that means having one extra portion of fruit or vegetables a day, being a bit more active, experimenting with a new recipe or using up leftovers - Healthy Eating Week 2025 is all about finding a healthier you!

Key themes:

- Stay hydrated
- Know the facts
- Plan for success
- Make healthier choices
- Get moving
- Your goal

"Children are likely to adopt the same eating pattern as their parents, so it is important that the whole family adopts to a healthy lifestyle change. You can set a good example by eating healthier, meal preps and encouraging the whole family to do activities together"
