Birthday Book

We would like to say a big **'Happy Birthday'** to Aayat (Tawny Owl).

'Thank You' to those children and families who have donated a book to the school to celebrate pupil birthdays; the children love to share them with their class. If you would like to donate a book for your child's birthday, please see the office for a book label.

After School Clubs

We are pleased to offer the following after school clubs for your child to attend. The children were asked what clubs they would like to do and we have chosen the most popular for the summer term.

For children in Key Stage 1 (Years 1 & 2) we have multi-skills where they will be engaged in activities that involve ball skills, sending and receiving and team sports.

For children in Key Stage 2 (Years 3, 4,5 & 6) we have Dodgeball.

These clubs will start the week commencing 28th April and continue until the end of the school year.

Please note there is a charge for your child to attend.

Please follow the links below to register and sign your child up for the clubs.

Year 1 Phonic Screening Check Meeting

On **Wednesday 7th May 2025** at **9.15am** in the school hall, there will be a meeting for all Year 1 parents and carers, informing them about the forthcoming Phonic Screening Check.

The meeting will discuss:

- Phonic Screening Check Procedures
- Year 1 expectations
- advice of how to guide you child

It is an important meeting and I hope to see as many parents as possible. Any questions feel free to ask.

Yours sincerely,

Mrs. H Keane
Assistant Headteacher KS1

World Asthma Day 6th May 2025

Asthma is a chronic lung condition that affects the airways. These airways become swollen and inflamed. It is the most common long-term condition among children and young people in the UK. Symptoms include wheezing, breathlessness, coughing, or a feeling of tightness in the chest

In the UK, approximately 5 million people have asthma with 1 in 11 children and 1 in 12 adults. **World Asthma Day** is held every year to raise awareness of asthma in the world.

Top Tips

The preventer inhaler helps to reduce swelling in the airways and stops them from tightening up. It's important not to miss doses even when feeling well as regular use is key to keeping asthma under control.

1. Help your child take their preventer inhaler every day
2. Regular inhaler/techniques checks
3. An Asthma Action Plan in place
4. An Asthma review at least once a year
