Year 5 Work

Last week, Year 5 were pleased to showcase some of the work they have been doing this term. Many parents and carers turned up and enjoyed seeing the work, listening to the children sing some songs and even taking part in a competition about the solar system.

Nursery

The Nursery Classes have made Easter bonnets for their home learning and went on an Easter parade around the school. They wished everybody a Happy Easter.

Nursery have been learning about different places of worship and have been using the maths vocabulary 'tall' and 'short' to build a church and mosque as part of their wider learning about Easter and Eid. We hope you like their fantastic designs.

Book Talk

Author: Justin Anderson
Illustrator: Patrick Benson
Publisher: Walker
Yr4

The author, a zoologist who filmed snow leopards for the TV series *Planet Earth II*, describes an expedition into the Himalayan mountains to observe these animals which are an endangered species. Many fascinating details about snow leopards are revealed both in the central narrative and in the supplementary pieces of text printed in a different font. Patrick Benson's naturalistic illustrations evoke the landscape of Ladakh, his use of colour demonstrating how these beautiful creatures can be camouflaged within their environment, contributing to their being known as 'Grey Ghost[s] of the Mountain', the subtitle of this picture book.
