Public Transport - Yr 6 Talk

On Wednesday afternoon Alex Perry from the London Transport team visited Y6 to talk to them about using public transport in and around London and how to do so safely.

The children learnt lots of tips to keep them safe. Inayah in Falcon Class reported:

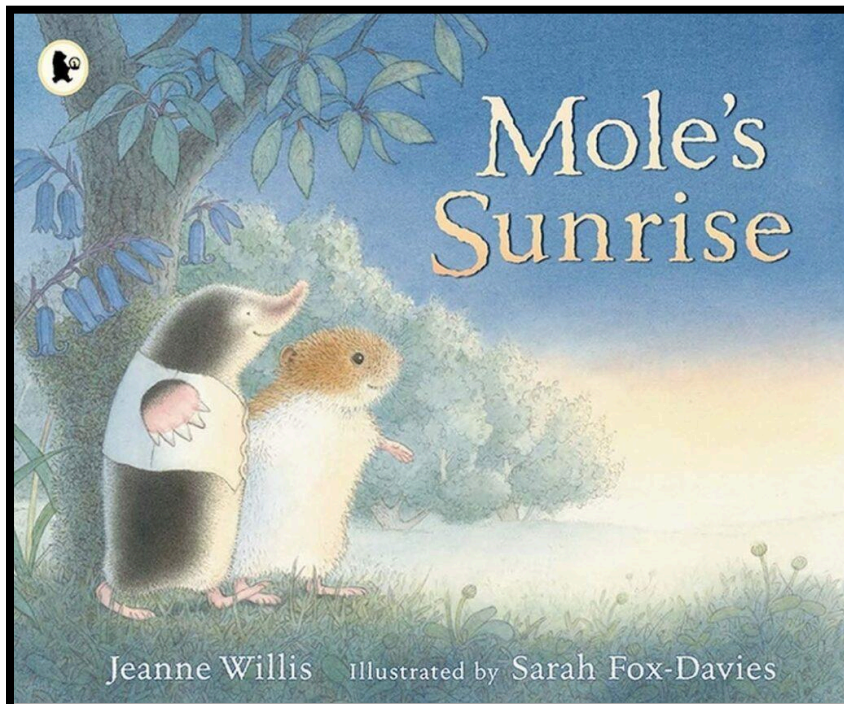

- I learnt that if you are on a bike you always need to have a helmet on. If you do not wear a helmet you might have a severe injury.
- I also learnt that on a train you should never open the carriage door or lean on them in case they ever accidentally malfunction and open and if you do you will fall into the train track.
- When you are waiting near a road or platform you have to take your body height and a step back as the safe distance to stand. It is very important to do this because if you don't you can either accidentally fall onto the road or the train track, this is very dangerous.

World Sight Day

The children in Nursery took part in Visual Impairment Awareness day. The children were excited to meet the guide dogs and asked some interesting questions about where they would go with Heather and what they liked to eat. They listened to the story of Mole's Surprise by Jeanne Willis and found out more about assistant dogs by watching an episode of Dog Squad.

History

On Thursday, Kestrel class went to visit the Heston War Memorial as part of their history topic to learn about the Impact of war on the local community. The memorial represents the people in the area who died in both WW1 and WW2.
