Birthday Books

We would like to say a big **'Happy Birthday'** to Aleeza (Magpie Class), Saha (Peacock Class) and Alayna (Nursery).

'Thank You' to those children and families who have donated a book to the school to celebrate pupil birthdays; the children love to share them with their class. If you would like to donate a book for your child's birthday, please see the office for a book label.

Attendance Ted

Well done Hawk class who have achieved best overall attendance.

OFSTED

OFSTED inspectors visited our school on Tuesday and Wednesday this week. They were very impressed with what they saw. They thought the quality of learning was amazing as well as the wonderful behaviour and attitudes of our children. We were very impressed with the amount of parent feedback which praised the work of the school - thank you to all those parents who completed the survey. We are VERY happy with the inspection outcome. Once the final report is published (4 weeks time) I will ensure a copy is emailed to all parents.

Once again, we are very proud of what we have achieved and the outcome of this inspection.

Head Girl & Head Boy

Congratulations to Shanaya and Rithwik who have been successfully chosen to be our new head girl and head boy. They will be working with the school leadership team to make Westbrook an outstanding school.

Harvest Celebration Assembly

Thank you so much again for the very generous Harvest Festival donation from your school community - from The Rose Community Centre

JOIN OUR SCHOOL AUTUMN REWARDS CHALLENGE

As part of the School Superzone Project, Westbrook Primary School and Hounslow Council have partnered with **BetterPoints** to use their free app to run a special rewards challenge for parents and guardians up to the end of HALF TERM.

BetterPoints are giving away a £30 Family voucher for Tenpin in Feltham plus £25 in shopping vouchers each week. To take part simply get active (walk, wheel, cycle, or scoot) until the end of half-term.

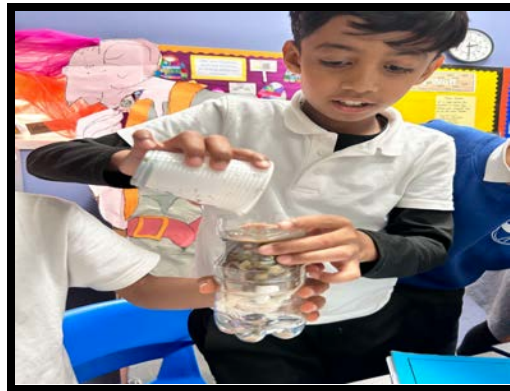

It is quick and easy to download the free app and start earning points. We are hoping that as many families sign up as possible this year to not only have the chance to win some great prizes but to also help the school to work towards enhancing our School Travel Plan.

We will be hosting a coffee morning on **Wednesday 2nd October at 9:00am in the school hall** with representatives from the Local Authority to discuss the BetterPoints Challenge in more detail and to help parents sign up. **We look forward to seeing lots of parents at this event and there will be free refreshments to enjoy! 😊**

Year 5 Science

In Science this week, Year 5 has been learning about filtering. They had great fun making their own water filters from a range of materials such as sand, rice and pebbles. The children were amazed to see how the muddy water that went into the filter, became almost transparent having passed through their filters.

Cycling Classes

Hounslow Borough are running cycle classes during half term (w/c: October 28th). **The courses are FREE!!**

These are for children as young as 5 years old with no cycle experience right up to older children who can cycle.

They are running the three levels of training:

Learn to Ride - for children who cannot ride at all

Level 1 - Basic cycling skills

Level 2 - More advanced and travelling around local roads

There are courses being delivered in Heston Park, so it is very convenient for our families. There other locations too e.g. Feltham Park

Instrument Lessons

Sing Education has spaces available for small group and individual instrument lessons at Westbrook.

If you are interested in your child learning the guitar, keyboard, violin or singing, then please get in touch and sign your child up.

Selecting our school and the instruments on offer is easy to do, simply visit

www.singeducation.co.uk/signup

Sing Education will contact you with more information and look to schedule you in.

Lessons are 30 mins per week and cost £8 for small group lessons, [£19.50 for 1-1 individual] and take place during the school day.

Music lessons can really help with a child's learning, here is a short video and a flyer:
