Welcome back! A message from Mrs Benton, Head of School.

Thank you to parents / carers for your support in getting the children off to such a **positive start** to the new school year. A **very warm welcome** to all of the new families joining the **Westbrook community** across the school. We are thrilled to have you join us and we are looking forward to getting to know you and your children. We hope that they will be very happy at Westbrook.

This week we have settled well into our new learning environments and spent time getting to know each other and the new routines. The children have managed the changes brilliantly, particularly the reception children moving to Year 1 who really impressed us with how well they came into school and went to their new classrooms. Teachers and children have been busy starting new topics across the curriculum. More information about the learning for the year will be shared during the **curriculum meetings** (see *Diary of Dates* section). We had a whole-school assembly on Monday providing an opportunity for us to **reflect on the good times** that have been had over the summer and **discuss the goals** that we are going to set for ourselves the coming academic year.

In the coming weeks, I will be able to share lots of information about the learning and other activities which will be taking place at Westbrook to help your children **develop and progress**.

Reminders:

Playground supervision - Please can we ask all parents / carers to ensure that their children are supervised in the school playground at the end of the school day. Please also ensure that children do not use the Wonderworld Trail before or after school as this area is not being supervised by staff at these times. We want to prevent any accidents where possible.

Walking home alone - Parents of children in Y5 & 6 will know that we have introduced a new permission form for your child / children to walk home independently. This must be completed and returned to the school office before your child / children will be allowed to walk home. Please read through the guidance with your child / children. Also, please remind them that they

must display appropriate behaviour when walking home, including respecting local residents and their property or they will have to be collected from school.

PE arrangements for Y5 & 6

As mentioned in my letter to parents last week we continue to have building work going on to repair all of the damage caused by the flood. One area yet to be restored is the upstairs changing room which restricts our changing facilities for the oldest pupils. With this in mind we have decided that children in **Year 5 & 6** will be allowed to come into school in their PE kit (on PE lesson days only) up until half term. We are hopeful that the changing room will be ready for use after half term.

We look forward to a busy autumn term with lots of learning but also plenty of fun too!

Celebrating pupil successes! 🌟

This week we would like to congratulate the following children for achieving their **Superstar Learner certificates**; a fantastic array of learning from across the school was presented in our **Golden Assembly** on Thursday.

Attendance Ted

Attendance Ted will spend his weeks visiting the classrooms that have the highest attendance. This will commence next week. We hope to see a tight competition between the classes and high percentages of pupils being in school everyday. Which classroom will he visit first?

House Points at Westbrook

Every child at Westbrook is allocated to one of four houses which are named after famous authors:

Blackman (green)

Walliams (red)

Rundell (blue)

Rosen (yellow)

The children have started to earn house points this week and the winning house will be announced each week.

Birthday Books 🎂

If parents / carers would like to donate a book to mark their child's birthday, please see the school office for a '**Birthday Book**' label. We really do appreciate the donations.
